PROFILE

I am a perfectionist, detailed oriented, hard-working, organized and eager-to-learn frontend developer. I started my career in October 2019 by being among the group who were working on "WE" application in Cairo ICT, and since then I continuously contribute to developing and maintaining awesome stuff.

EDUCATION

Networking Engineering | Bachelor GUC

09/2012 - 09/2017 CAIRO, EGYPT

WORK EXPERIENCE

Frontend developer Arabyads

12/2021 - present GIZA, EGYPT

- Work in a multidisciplinary team with other professional back-end developers, QC, and web designers.
